"Werbetext 30 step-by-step projects for growing vegetables, fruit and herbs in containers. Über den Autor und weitere Mitwirkende Kew-trained author and gardener Kay Maguire is skilled in the techniques of growing crops in pots, and finds space to trial hundreds of new and trusted fruit, vegetables, salads and herbs in her tiny London garden. As former Horticultural Editor of BBC Gardeners' World magazine she is a consummate communicator to an audience of wide ability and discerning taste on the precise, sometimes tricky, growing methods that containers require. A talented cook, she knows a tasty crop when she tries it, and through her efforts she is almost self-sufficient."
