"Pressestimmen ?America?s favorite poet.??**The Wall Street Journal**?[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring.??**J. J. Abrams, The New York Times Book Review** ?His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud.??**The Plain Dealer** ?Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate?even those who don?t normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant.??**The Christian Science Monitor** ?Collins?s new poems contain everything you've come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life.??**The Daily Beast** ?[Collins?s] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life?s everyday humdrum experiences and makes them vibrant.??**The Times Leader** ?Former poet laureate and reader favorite Collins, the maestro of the running-brook line and the clever pivot, celebrates the resonance and absurdity of what might be called the poet?s attention-surfeit disorder. . . . But Collins?s droll wit is often a diversionary tactic, so that when he strikes you with the hard edge of his darker visions, you reel.??**Booklist**?A stellar jumping-off point . . . a joyride through all layers of his approach from 2002 to the present, which should not only please his current fans, but inspire many others to dive into Mr. Collins?s work, headfirst.??**The Rumpus** Über den Autor und weitere Mitwirkende **Billy Collins** is the author of ten collections of poetry, including *Aimless Love*, *Horoscopes for the Dead*, *Ballistics*, *The Trouble with Poetry*, *Nine Horses*, *Sailing Alone Around the Room*, *Questions About Angels*, *The Art of Drowning*, and *Picnic, Lightning*. He is also the editor of *Poetry 180: A Turning Back to Poetry*, *180 More: Extraordinary Poems for Every Day*, and *Bright Wings: An Illustrated Anthology of Poems About Birds*. A Distinguished Professor of English at Lehman College of the City University of New York, and Senior Distinguished Fellow at the Winter Park Institute of Rollins College, he was Poet Laureate of the United States from 2001 to 2003 and Poet Laureate of New York State from 2004 to 2006.
