**From *New York Times* bestselling author Catherine Anderson comes the second novel in the Comanche series--a stirring story of courage, passion, and unforgettable love...** Years ago, Amy Masters escaped the fury of the Texas plains for a new life as a teacher in the golden hills of Oregon, where she found contentment if not happiness. Then, out of the shadows, comes Swift Antelope, the Comanche warrior to whom she once pledged her heart when she was no more than a girl. Claiming that he's given up his violent ways as a gunslinger, Swift has arrived to take the woman he feels is rightfully his, the woman who once swore to honor a sacred and unbreakable pact. But Amy's brutal past has made it impossible for her to trust any man--even if it's the bold warrior who has haunted her dreams, the only man she ever loved, the Comanche heart she can't live without..
