"Pressestimmen 'Pelka has compiled an excellent general introduction to people, events, and organizations that shaped the American disability rights movement....Recommended for undergraduates, general readers, graduate students, and faculty.' - Choice'Recommended for large public libraries, general academic reference collections, and social sciences reference collections.' - Library Journal'...it is the only source of its kind for information on the history and state of rights for the disabled in the United States.' - Rettig on Reference (Gale.com) Synopsis Chronicles the history of the disability rights movement.

Buchrückseite Now students, general readers, advocates, rehabilitation professionals, and others seeking to learn more about the history and progress of the disability rights movement can turn to a valuable new reference book, The ABC-CLIO Companion to the Disability Rights Movement. The book is designed as a general introduction to the many varied influences on the growth of this movement, including notable individuals, some of whom will be familiar to general readers, while others remain virtually unknown outside of the communities they have affected. Here, through fascinating biographical narratives, their contributions are highlighted. Nearly 500 alphabetically arranged entries explore landmark laws and court cases, prominent figures, historic events, issues, notable programs, key concepts, and centers of disability culture and education. With a detailed chronology, extensive cross-referencing, illustrations, and a subject index, this volume is an exceptionally useful reference for anyone seeking to better understand the people and events shaping the American disability rights movement.

Über den Autor und weitere Mitwirkende **Fred Pelka** is a professional writer based in Northampton, MA and a contributing editor to On the Issues."
