"Reseña del editor **As told through a mix of comics, doodles, and journal entries, Christina Starspeeder takes us on a new adventure at an all-new Jedi Academy campus!** Christina survived her first year at her new school... Barely. Studying under one of the coolest Jedi mentors in the world (Skia Ro) and her sassy droid is hard enough. A new year, with even more new classes, teachers and adventures? **That might be more than this young Padawan can handle!**".
