Arriving Well is a compilation of five raw, compelling, autobiographical stories about re-entry. Each of the authors experienced the roller-coaster ride of re-entry to their passport country in totally different and yet totally valid ways after a differing number of years abroad. This book highlights the variety of ways in which people experience re-entry and offers resources - including mini-coaching, reflection questions, and helpful resources - to help you on your re-entry (repatriation) journey. Arriving Well is a must-read for anyone thinking about or in the midst of returning home..
