"Reseña del editor (Meredith Music Percussion). Internationally acclaimed by today's leading teachers, Primary Handbook for Mallets (xylophone, marimba, vibes, and bells) is designed for the beginner of any age. This method provides a complete introduction to mallet playing for private lessons or classroom use. The play-along audio also makes this the ideal self-instruction method. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right. Click here for a YouTube video on Primary Handbook for Mallets".
