"Recensione ?The most accessible and the closest to the Italian?with ample commentary easily and unobtrusively available at the end of each Canto.??Tim Parks, *The New Yorker*?The Hollanders?act as latter-day Virgils, guiding us through the Italian text that is printed on the facing page.??The Economist?Probably the most finely accomplished and may well prove the most enduring?. The annotation?is crowded with useful insights and bits of information and keeps us abreast of scholarly opinion across the ages.??R.W.B. Lewis, *Los Angeles Times Book Review* Dalla seconda/terza di copertina The epic grandeur of Dante?s masterpiece has inspired readers for 700 years, and has entered the human imagination. But the further we move from the late medieval world of Dante, the more a rich understanding and enjoyment of the poem depends on knowledgeable guidance. Robert Hollander, a renowned scholar and master teacher of Dante, and Jean Hollander, an accomplished poet, have written a beautifully accurate and clear verse translation of the first volume of Dante?s epic poem, the *Divine Comedy*. Featuring the original Italian text opposite the translation, this edition also offers an extensive and accessible introduction and generous commentaries that draw on centuries of scholarship as well as Robert Hollander?s own decades of teaching and research. The Hollander translation is the new standard in English of this essential work of world literature. L'autore Robert Hollander taught Dante?s *Divine Comedy* to Princeton students for forty-two years, and is the author of a dozen books and more than seventy articles on Dante, Boccaccio, and other Italian authors. He is Professor in European Literature Emeritus at Princeton and the founding director of both the Dartmouth Dante Project and the Princeton Dante Project. He has received many awards, including the gold medal of the city of Florence and the gold florin of the Dante Society of America, in recognition of his work on Dante. Jean Hollander has taught literature and writing at Brooklyn College, Columbia University, Princeton University, and the College of New Jersey, where she was director of the Writers? Conference for twenty-three years.

OUTLINE 1?9 Dante, having lost his way, in a dark wood 10?21hint of
dawn: the sun on a mountaintop 22?27simile: survivor of shipwreck
looking back at sea 28?36journey resumed; ascending the slope; a
leopard 37?43dawn and reassurance 44?54a lion renews his fear; a she-
wolf drives him back 55?60simile: merchant (or gambler?) losing
everything 61?66apparition (of Virgil) and Dante?s first words
67?75Virgil identifies himself 76?78his pointed question to Dante
79?90Dante?s recognition, praise of Virgil; plea for aid
91?100Virgil?s warning: power of the she-wolf 101?111Virgil?s
prophecy of the hound that will defeat her 112?120Virgil will guide
Dante through two realms to a third 121?129Virgil: a second guide
will take him to those in bliss, since he is not allowed into that
realm 130?135Dante agrees to be led through the first two realms
136the two set outInferno I Nel mezzo del cammin di nostra vita mi
ritrovai per una selva oscura, 3ché la diritta via era smarrita.Ahi
quanto a dir qual era è cosa dura esta selva selvaggia e aspra e
forte 6che nel pensier rinova la paura!Tant? è amara che poco è più
morte; ma per trattar del ben ch?i? vi trovai, 9dirò de l?altre cose
ch?i? v?ho scorte.Io non so ben ridir com? i? v?intra, tant? era
pien di sonno a quel punto 12che la verace via abbandonai.Ma poi
ch?i? fui al piè d?un colle giunto, là dove terminava quella valle
15che m?avea di paura il cor compunto,guardai in alto e vidi le sue
spalle vestite già de? raggi del pianeta 18che mena dritto altrui
per ogni calle.Allor fu la paura un poco queta, che nel lago del cor
m?era durata 21la notte ch?i? passai con tanta pieta.E come quei che
con lena affannata, uscito fuor del pelago a la riva, 24si volge a
l?acqua perigliosa e guata,così l?animo mio, ch?ancor fuggiva, si
volse a retro a rimirar lo passo 27che non lasciò già mai persona
viva. Midway in the journey of our life I came to myself in a dark
wood, 3for the straight way was lost.Ah, how hard it is to tell the
nature of that wood, savage, dense and harsh? 6the very thought of
it renews my fear!It is so bitter death is hardly more so. But to
set forth the good I found 9I will recount the other things I

saw. How I came there I cannot really tell, I was so full of sleep
12 when I forsook the one true way. But when I reached the foot of a
hill, there where the valley ended 15 that had pierced my heart with
fear, looking up, I saw its shoulders arrayed in the first light of
the planet 18 that leads men straight, no matter what their road.

Then the fear that had endured in the lake of my heart, all the
night 21 I spent in such distress, was calmed. And as one who, with
laboring breath, has escaped from the deep to the shore 24 turns and
looks back at the perilous waters, so my mind, still in flight,
turned back to look once more upon the pass 27 no mortal being ever

left alive. Poi ch'èi posato un poco il corpo lasso, ripresi via per
la spiaggia diserta, 30 sì che 'l piè fermo sempre era 'l più basso. Ed

ecco, quasi al cominciar de l'erta, una lonza leggiera e presta
molto, 33 che di pel macolato era coverta; e non mi si partia dinanzi

al volto, anzi 'mpediva tanto il mio cammino, 36 ch'io fui per
ritornar più volte vòlto. Temp' era dal principio del mattino, e 'l
sol montava 'n sù con quelle stelle 39 ch'eran con lui quando l'amor
divin mosse di prima quelle cose belle; sì ch'a bene sperar m'era

cagione 42 di quella fiera a la gaetta pella? ora del tempo e la
dolce stagione; ma non sì che paura non mi desse 45 la vista che
m'apparve d'un leone. Questi pareva che contra me venisse con la testa
alta e con rabbiosa fame, 48 sì che pareva che l'aere ne tremesse. Ed

una lupa, che di tutte brame sembiava carca ne la sua magrezza, 51 e
molte genti fé già viver grame, questa mi porse tanto di gravezza con

la paura ch'uscia di sua vista, 54 ch'io perdei la speranza de
l'altezza. E qual è quei che volontieri acquista, e giugne 'l tempo
che perder lo face, 57 che 'n tutti suoi pensier piange e s'attrista;

After I rested my wearied flesh a while, I took my way again along
the desert slope, 30 my firm foot always lower than the other. But
now, near the beginning of the steep, a leopard light and swift
33 and covered with a spotted pelt refused to back away from me but so
impeded, barred the way, 36 that many times I turned to go back
down. It was the hour of morning, when the sun mounts with those
stars 39 that shone with it when God's own love first set in motion

those fair things, so that, despite that beast with gaudy fur, 42I
 still could hope for good, encouraged by the hour of the day and the
 sweet season, only to be struck by fear 45when I beheld a lion in my
 way. He seemed about to pounce? his head held high and furious with
 hunger? 48so that the air appeared to tremble at him. And then a she-
 wolf who, all hide and bones, seemed charged with all the appetites
 51that have made many live in wretchedness so weighed my spirits down
 with terror, which welled up at the sight of her, 54that I lost hope
 of making the ascent. And like one who rejoices in his gains but when
 the time comes and he loses, 57turns all his thought to sadness and
 lament, tal mi fece la bestia senza pace, che, venendomi ?ncontro, a
 poco a poco 60mi ripigneva là dove ?l sol tace. Mentre ch?i? rovinava
 in basso loco, dinanzi a li occhi mi si fu offerto 63chi per lungo
 silenzio pareva fioco. Quando vidi costui nel gran deserto, ?Miserere
 di me,? gridai a lui, 66?qual che tu sii, od ombra od omo
 certo!? Rispuosemi: ?Non omo, omo già fui, e li parenti miei furon
 lombardi, 69mantoani per patria ambedui. Nacqui sub Iulio, ancor che
 fosse tardi, e vissi a Roma sotto ?l buono Augusto 72nel tempo de li
 dèi falsi e bugiardi. Poeta fui, e cantai di quel giusto figliuol
 d?Anchise che venne di Troia, 75poi che ?l superbo Ilión fu
 combusto. Ma tu perché ritorni a tanta noia? perché non sali il
 diletto monte 78ch?è principio e cagion di tutta goia??? Or se? tu
 quel Virgilio e quella fonte che spandi di parlar sì largo fiume??
 81rispuos? io lui con vergognosa fronte.? O de li altri poeti onore e
 lume, vagliami ?l lungo studio e ?l grande amore 84che m?ha fatto
 cercar lo tuo volume. Tu se? lo mio maestro e ?l mio autore, tu se?
 solo colui da cu? io tolsi 87lo bello stilo che m?ha fatto onore.
 such did the restless beast make me? coming against me, step by
 step, 60it drove me down to where the sun is silent. While I was
 fleeing to a lower place, before my eyes a figure showed, 63faint,
 in the wide silence. When I saw him in that vast desert, ?Have mercy
 on me, whatever you are,? 66I cried, ?whether shade or living
 man!? He answered: ?Not a man, though once I was. My parents were
 from Lombardy? 69Mantua was their homeland.? I was born sub Julio,

though late in his time, and lived at Rome, under good Augustus 72
in an age of false and lying gods. I was a poet and I sang the just son
of Anchises come from Troy 75 after proud Ilium was put to flame. But
you, why are you turning back to misery? Why do you not climb the
peak that gives delight, 78 origin and cause of every joy? Are you
then Virgil, the fountainhead that pours so full a stream of
speech? 81 I answered him, my head bent low in shame. O glory and
light of all other poets, let my long study and great love avail
84 that made me delve so deep into your volume. You are my teacher
and my author. You are the one from whom alone I took 87 the noble
style that has brought me honor. Vedi la bestia per cu' io mi volsi;
aiutami da lei, famoso saggio, 90 ch'ella mi fa tremar le vene e i
polsi. A te convien tenere altro viaggio, rispuose, poi che
lagrimar mi vide, 93 se vuoi campar d'esto loco selvaggio; ché questa
bestia, per la qual tu gride, non lascia altrui passar per la sua
via, 96 ma tanto lo impedisce che l'uccide; e ha natura sì malvagia e
ria, che mai non empie la bramosa voglia, 99 e dopo 'l pasto ha più
fame che pria. Molti son li animali a cui s'ammoglia, e più saranno
ancora, infin che 'l veltro 102 verrà, che la farà morir con
doglia. Questi non ciberà terra né peltro, ma sapienza, amore e
virtute, 105 e sua nazione sarà tra feltro e feltro. Di quella umile
Italia fia salute per cui morì la vergine Camilla, 108 Eurialo e
Turno e Niso di ferute. Questi la caccerà per ogne villa, fin che
l'avrà rimessa ne lo inferno, 111 là onde 'nvidia prima
dipartilla. Ond' io per lo tuo me' penso e discerno che tu mi segui,
e io sarò tua guida, 114 e trarrotti di qui per loco eterno; ove
udirai le disperate strida, vedrai li antichi spiriti dolenti,
117 ch'a la seconda morte ciascun grida; See the beast that forced
me to turn back. Save me from her, famous sage? 90 she makes my veins
and pulses tremble. It is another path that you must follow, he
answered, when he saw me weeping, 93 if you would flee this wild and
savage place. For the beast that moves you to cry out lets no man
pass her way, 96 but so besets him that she slays him. Her nature is
so vicious and malign her greedy appetite is never sated? 99 after

she feeds she is hungrier than ever. Many are the creatures that she mates with, and there will yet be more, until the hound shall come who'll make her die in pain. He shall not feed on lands or lucre but on wisdom, love, and power. Between felt and felt shall be his birth. He shall be the salvation of low-lying Italy, for which maiden Camilla, Euryalus, Turnus, and Nisus died of their wounds. He shall hunt the beast through every town till he has sent her back to Hell whence primal envy set her loose. Therefore, for your sake, I think it wise you follow me: I will be your guide, leading you, from here, through an eternal place where you shall hear despairing cries and see those ancient souls in pain as they bewail their second death. e vederai color che son contenti nel foco, perché speran di venire quando che sia a le beate genti. A le quai poi se tu vorrai salire, anima fia a ciò più di me degna: con lei ti lascerò nel mio partire; ché quello imperador che là sù regna, perch' i fu ribellante a la sua legge, non vuol che 'n sua città per me si vegna. In tutte parti impera e quivi regge; quivi è la sua città e l'alto seggio: oh felice colui cu' ivi elegge! E io a lui: Poeta, io ti richieggo per quello Dio che tu non conoscesti, a ciò ch'io fugga questo male e peggio, che tu mi meni là dov' or dicesti, sì ch'io veggia la porta di san Pietro e color cui tu fai cotanto mesti. 136 Allor si mosse, e io li tenni dietro. Then you will see the ones who are content to burn because they hope to come, whenever it may be, among the blessed. Should you desire to ascend to these, you'll find a soul more fit to lead than I: I'll leave you in her care when I depart. For the Emperor who has his seat on high wills not, because I was a rebel to His law, that I should make my way into His city. In every part He reigns and there He rules. There is His city and His lofty seat. 129 Happy the one whom He elects to be there! And I answered: Poet, I entreat you by the God you did not know, so that I may escape this harm and worse, lead me to the realms you've just described that I may see Saint Peter's gate and those you tell me are so sorrowful. 136 Then he set out and I came on behind him."

dante s inferno summary enotes

May 27th, 2020 - dante s inferno summary inferno is a fourteenth century epic poem by dante alighieri in which the poet and pilgrim dante embarks on a spiritual journey at the poem s beginning dante is lost
