There is something wrong with Tori Manetti's new exercise bike. It is made from flesh and bone. It eats and breathes and poops. It was once a billionaire named Darren Oscarson who underwent years of cosmetic surgery to be transformed into a human exercise bike so that he could live out his deepest sexual fantasy. Now Tori is forced to ride him, use him as a normal piece of exercise equipment, no matter how grotesque his appearance. Set in a health food dystopia, Exercise Bike is an absurd horror tale of domination and submission, power and obedience, desire and desperation, from Wonderland Book Award winner Carlton Mellick III..
