"Synopsis From simple first aid to preventative treatments, this book is an authoritative guide to natural health treatments for children. The range of remedies given for each condition includes a note of what your GP would prescribe, and there's also clear guidance so parents know which symptoms indicate that a child requires conventional hospital or GP treatment. Über den Autor und weitere Mitwirkende Amanda Cochrane is a highly succesful writer with specialist interest in all forms of complementary health and healing techniques. She has a Batchelor of Science degree in Nutrition and Bio-chemistry."
