"Recensione ?Hillerman uses the southwestern setting as effectively as her late father did while skillfully combining Native American lore with present-day social issues.? (Publishers Weekly)**Advance Praise for *Rock With Wings*** ?With a background of tribal law and custom, Anne Hillerman ties up multiple subplots in concise prose, evoking the beauty of the desert and building suspense to a perilous climax. Tony would be proud.? (Booklist) Dalla quarta di copertina **Amazon Best Mystery of 2015**Navajo Tribal cops Jim Chee and Bernadette Manuelito, and their mentor, the legendary Lieutenant Joe Leaphorn, investigate two perplexing cases in this exciting Southwestern mystery from the *New York Times* bestselling author of *Spider Woman's Daughter*.Doing a good deed for a relative offers the perfect opportunity for Sergeant Jim Chee and his wife, Officer Bernie Manuelito, to get away from the daily grind of police work. But two cases will call them back from their short vacation and separate them?one near Shiprock, and the other at iconic Monument Valley.Chee follows a series of seemingly random and cryptic clues that lead to a missing woman, a coldblooded thug, and a mysterious mound of dirt and rocks that could be a gravesite. Bernie has her hands full managing the fallout from a drug bust gone wrong, uncovering the origins of a fire in the middle of nowhere, and looking into an ambitious solar energy development with long-ranging consequences for Navajo land.Under the guidance of their mentor, retired Lieutenant Joe Leaphorn, Bernie and Chee will navigate unexpected obstacles and confront the greatest challenge yet to their skills, commitment, and courage. L'autore Anne Hillerman is an award-winning reporter and the *New York Times* bestselling author of the novels *Spider Woman's Daughter*, *Rock with Wings*, *Song of the Lion*, and *Cave of Bones*, as well as several nonfiction books. She is the daughter of *New York Times* bestselling author Tony Hillerman and lives in Santa Fe, New Mexico."
