"Reseña del editor **Complete the pictures in this book with painty fingerprints to bring a whole host of animals, objects and scenes.**Each spread is packed with fun fingerprint activities, from adding tentacles to an octopus to decorating tropical birds.With simple instructions, children can complete the pictures to create their own masterpieces. Biografía del autor Jorge Martin is a London-based illustrator and visualiser. Originally from Spain, he has lived in San Francisco, Mexico City and Hamburg. London has been home since 2002, having studied at London's Kingston University and Central Saint Martin's College of Art. Before becoming an illustrator, Jorge worked in service design, design innovation and advertising. In August 2014, his first children's book was published in France. Since then, he hasn't looked back, working on many other UK and French projects."
