The moment she opened her eyes, she knew everything had changed. The stale taste of alcohol; her uneasy stomach. She looked at her husband sleeping peacefully, and knew she would never tell anyone what happened last night. You will think you know what happened to Alicia that night. You will see a desperate wife, lying to her husband. You will watch a charming lover, trying to win her back. You will judge her, just like everyone else. You will assume you know what happens next. But everything you think you know about the past, the relationships, what drives Alicia and her husband to lie... is wrong. **If you loved *The Girl on the Train*, *The Wife Between Us* and *The Sister*, you'll love this compelling and gripping psychological thriller from Sheryl Browne. *The Affair* will have you hooked from the very first page!** What readers are saying about *The Affair*: 'Wow... I'm speechless... it is just that amazing... seriously stop reading this review and just buy the book... **I was so gripped by this that I read it in record time**, and even when I paused for a break, my mind was still on it... This is **addictive, compulsive book that has blown me away**... Clear yourself a few hours

where you can lock yourself away from the real world... **simply superb!**' Rachel's Random Reads '**Wow!!! I was totally taken away with this book from page one.** A real page turner. Go 1-click this book today, you won't regret it. So many twists and turns.' Goodreads Reviewer, 5 stars 'This was a really, really good book... **twists on twists!... The ending was awesome!!!!**' Goodreads Reviewer 'Great read!!!... **Wow! Just as you think everything is settled, it isn't!!!** This book is not to be missed! Recommend!!!' Goodreads Reviewer, 5 stars '**Wow!! I read this book in just a weekend!!...** I read it so fast!! If you like psychological thrillers, you should definitely pick this one up! :)' Goodreads Reviewer, 5 stars '**Wow!...** The Affair is a hugely addictive book ... A compelling story with dark and chilling moments, and it will have you gripped to the pages. **A definite 5 star read.**' Goodreads Reviewer, 5 stars 'The story starts with a big shock, **BAM**, in your face and it carries on from there until the very last sentence... **I LOVED it**, a great read, told in this author's special easy to read style that brings you in and keeps you there.' Goodreads Reviewer '**Expect the unexpected**, don't try to predict the many twists and turns (you'll NEVER guess the ending) and get the tissues ready.' Goodreads Reviewer '**One hell of a bang...** This book really plays with the emotions, there are times when I empathised with the main character but hated her. There were other times when I hated what she was doing but loved her. I really liked it.' Nigel Adams Bookworm '**An unputdownable read.** I loved that I had no idea what the author had in store next for me.' By the Letter Book Reviews, 5 stars 'It's **an enthralling story** that keeps your attention all the way through with an interesting twist to add even more spice.' B for Book Review, 5 stars 'The secrets and the family drama throughout this book. **I couldn't put the book down, it's just so good.**' Goodreads Reviewer '**A suspenseful thriller with a flipping twist at the ending.**' Escape With a Book 'Sheryl Browne is an author whose work I will watch out for from now on! **It starts off with a bang and never quite lets up... the story gripping and emotional.** Recommended!' Goodreads Reviewer, 5 stars 'A compelling psychological thriller... **Let's just say that there are many twists and secrets and lies aplenty...** pulls you into the story and holds you there until the end!' Goodreads Reviewer.
