"Pressestimmen Ted White is the real deal. He was kind of like a father figure to me but now is more like a brother. He was the king of television in the mid-60s. He was the man, by golly. He had shows going all the time. *Terry Leonard, Legendary stuntman, stunt coordinator, actor, director* Larry Meredith explores many of the high points of Ted White's extraordinary career in the movie industry. Ted has worked with ALL the film giants. He's generous of spirit and a downright nice guy. We've listened to many of those tales firsthand, and this book now offers readers the opportunity to enjoy his many astonishing Hollywood experiences. *Kym O'Connell-Todd and Mark Todd, Authors of the Silverville*

Saga series Ted is one of the great men in the motion picture business. The man is a rock, a great teacher and a wonderful friend. *Dean Smith, Former Olympic athlete, great stuntman, actor* A book on the life and times of the great Ted White is long overdue. And who better to write it than Larry Meredith - a long-time friend of Ted's and a man with a satchel full of writing credentials. Ted White is a striking, imposing, and talented individual while at the same time remaining humble, composed, and gentlemanly. He remains one of the most significant behind-the-scenes participants in the history of American film. It's about time the rest of the world learned about him. *W. C. Jameson, Author of Amelia Earhart: Beyond the Grave Über den Autor und weitere Mitwirkende* In his career Larry K. Meredith has been a newspaperman, a salesman, an advertising and sales promotion writer for a Fortune 500 company, a university administrator and teacher, has owned his own marketing and video production company and has served as the Executive Director of a library district and the Director of the Publishing Certificate program at Western State Colorado University. . He has written hundreds of published essays and newspaper and magazine articles and is the author of the historical novel 'This Cursed Valley.' He and his wife Alley divide their time between Gunnison and Redstone, Colorado."
