A cutting edge technothriller from the bestselling author of *Angel Killer* and *Public Enemy Zero*. Astronaut David Dixon's first mission to space goes horribly wrong when shots are fired on a Russian space station. He finds himself making an emergency landing from orbit and becomes the most wanted man on Earth. Desperate to unravel the plot he's found himself in, he takes his pursuers on a wild chase from space to the backstreets of Rio and beyond. Dixon's survival relies on his skills as a pilot and willingness to do whatever it takes – crashing a passenger jet into the Mexican desert to pulling off an incredible heist in Low Earth Orbit. If space doesn't kill David Dixon, Earth will. "Tom Clancy meets Gravity." - *Dennis Owens Jr.* "The love child of *The Martian* and *Jason Bourne*." - *C. Cadenhead* "This is what science fiction was meant to be." - *Michael Jacobs* **Andrew Mayne, star of A&E's *Don't Trust* Andrew Mayne, is a magician and ITW Thriller Award nominated author. His novel, *Angel Killer* was the sixth best-selling independent KDP title of the year on Amazon UK. His *Jessica Blackwood* series is currently being developed for television by 20th Century Fox and Temple Hill..**
