"Pressestimmen 'A veritable encyclopedia of new and old healing practices in which concepts of energy form the basis for diagnosis and/or treatment. . . . provides enough solid evidence and provocative insights to be of interest to both advocates and skeptics of unconventional medicine.', Utne Reader'This book is at the cutting edge of the whole health movement.', Publishers Weekly'Dr. Richard Gerber has provided a valuable step in thinking about the higher reaches of human beings beyond mechanics to the domain of mind and spirit, and shows how these issues will become crucial factors in the medicine of the future.', Larry Dossey, M.D., author of Healing Words'A landmark book, written with profound understanding, but in simple and readable language.', Health World'[This book] proves to be a worthy reference work and a help to practitioners and patients alike. For those who wish to take responsibility for their own health, it is a valuable information resource.', Jennifer Hoskens, New Dawn, Nov-Dec 2006'For the serious student of whole body healing, this book is an essential purchase. . . . an invaluable resource both for healers and those who need a solid reference book on healing modalities.', Pamela Crossland, TCM Reviews' . . . a classic reference book for anyone seeking a comprehensive overview of the field of energy medicine. . . . manages to be quite the page-turner, by virtue of maintaining effervescent enthusiasm for the subject throughout. . . .strikes an easy balance between sharing ancient esoteric spiritual teachings, newer vibrational therapies, and scientific research. . . . Readers who are intrigued and open-minded to studying all these areas will find this book an absolute must-read. . . . I highly recommend VIBRATIONAL MEDICINE to anyone interested in a more complete understanding of the energies related to optimal health.', RealityShifters News, August 2004'Dr. Richard Gerber has provided a valuable step in thinking about the higher reaches of human beings beyond mechanics to the domain of mind and spirit, and shows how these issues will become crucial factors in the medicine of the future.', Larry Dossey, M.D., author of Healing Words?. . . a thoughtful, well-written and excellent reference book for anyone working with subtle-energies and healing.', Alaska Wellness, May 2011 Synopsis This new edition provides the most up-to-date information on alternative health care, and helps to explain what possibilities are available as more and more people choose to take responsibility for their own health. Dr Richard Gerber practices internal medicine and is a very popular international teacher. This book is the culmination of twenty years of nationally recognised research into alternative medical diagnosis and treatment, and has become the definitive text for energetic medicine.
