"Críticas ""Rivers has created a warm, funny, fast-paced story about an endearing middle schooler who keeps her cool and sense of humor when events spin out of control."" -- School Library Journal, starred review""Cleverly woven through the titular encyclopedia-with entries as seemingly mundane as 'Apple' and 'Oxen'-is the touchingly real and often humorous story of a preteen's struggles with family, friendship and first love."" -- Kirkus Reviews""The book is refreshingly up front about Tink's biracial heritage, Seb's autism, and the Aaron-Martin family dynamics, but it's also nuanced and sympathetic in its treatments; character interaction is observed with a particularly keen eye, while Tink's narration is a credible blend of perception and cluelessness...This sparky and engaging account will satisfy readers."" -- Bulletin of the Center for Children's Books""The A-Z encyclopedia framework (complete with footnotes!) gets an A for effort... Tink is a charming, smart, and honest young protagonist, and this makes for a heartfelt, light, but not-quite-breezy read."" -- Booklist""Moving through the alphabet with Tink is an amusing, emotional journey.... Through the alphabet, the summer, and the start of the new school year, Tink remains true to herself, but her personality and confidence grow stronger, creating a light but sincere and spirited story."" -- Horn Book""Rivers uses a clever format-the story unfolds in encyclopedia entries instead of chapters-to introduce Isadora ""Tink"" Aaron-Martin, a candid, biracial almost-13-year-old who has some time on her hands while she's grounded over the summer.... Tink's first-person narrative is vibrant and exuberantly opinionated, whether she is describing life with her hairless cat or pondering the meaning of her first kiss."" -- Publishers Weekly Reseña del editor Tink Aaron-Martin has been grounded AGAIN after an adventure with her best friend Freddie Blue Anderson. To make the time pass, she decides to write an encyclopedia of her life from ""Aa"" (a kind of lava--okay, she cribbed that from the real encyclopedia) to ""Zoo"" (she's never been to one, but her brothers belong there). As the alphabet unfolds, so does the story of Tink's summer: more adventures with Freddie Blue (and more experiences in being grounded); how her family was featured in a magazine about ""Living with Autism,"" thanks to her older brother Seb--and what happened after Seb fell apart; her growing friendship, and maybe more, with Kai, a skateboarder who made her swoon (sort of). And her own sense that maybe she belongs not under ""H"" for ""Hideous,"" or ""I"" for ""Invisible,"" but ""O"" for ""Okay.""Written entirely in Tink's hilarious encyclopedia entries, The Encyclopedia of Me is both a witty trick and a reading treat for anyone who loves terrific middle-grade novels. Biografía del autor Karen Rivers writes rich and funny novels for middle-grade readers, young adults, and the occasional grown-up. She lives in Victoria, British Columbia, with her two children and a noxious-smelling dog. Visit her online at <http://www.karenrivers.com> and @karenrivers."
