Ryszard Kapuscinski si cala nel continente africano e se ne lascia sommergere, rifuggendo tappe obbligate, stereotipi e luoghi comuni. Va ad abitare nelle case dei sobborghi più poveri, brulicanti di scarafaggi e schiacciate dal caldo, si ammala di malaria cerebrale; rischia la morte per mano di un guerriero. Kapuscinski non perde mai lo sguardo lucido e penetrante del reporter e non rinuncia all'affabulazione del grande narratore..
