***What starts as a simple ritual soon turns carnal when a monk falls for a young woman under his tutelage.***All her life Chanyn has wanted to find her one true love. When she encounters the dashing Lord Dain, with his kind eyes and pure heart, she believes her dreams of love are finally coming true. Until she meets with the roadblock that is her betrothed's bondmate. In a world where men outnumber women ten to one, Khial never thought he'd have to contend with a woman entering his bond. He gave his heart to Dain when they were just boys and has been by his side every day in sickness and health. These days it's mostly in sickness as Dain's health deteriorates. Though his attraction to Chanyn increases with every encounter, Khial can't help but resent the young woman who comes into his love story to play the hero, but marriage to her may be the only way to save the man he loves. To prepare Chanyn for her union with the two males, Lord Dain hires a Pleasure Hound, an ancient order of monks tasked with instructing new husbands, who have little to no contact with women, in the art of female pleasure. Years ago a scandal left the Temple of the Pleasure Hounds near destitute. The young monk responsible for the scandal is given a chance to redeem himself and the temple when he is called upon to train the bonded triad in the orgasmic arts. But what starts as a simple ritual soon turns carnal when the monk's heart begins to yearn for Chanyn, and hers for his. ***The Pleasure Hound is the first in a dystopian, erotic romance trilogy full of strong men who worship their women and will go to any means to please them. 1-Click The Pleasure Hound today and get lost in a world where a woman's pleasure is a man's rite..***
