Macrame For Absolute Beginners: 14 Basic Knots You Will Need For Your Macrame Projects There is something just amazing at being able to create something with your hands. To be able to take a craft – whether it be with wood or fiber or cord, and be able to turn it into something amazing is a skill not many people have in life, but so many people wish to have. Macrame is a hobby that has been around for hundreds of years. But, it is a hobby that doesn't show any sign of ending soon – and now is your chance to get on board with knowing how to do it and learning the skill for yourself. But, you wonder, how are you going to be able to create something with nothing more than some cord? How are you going to make something that you can hang, use, customize, and turn into anything and everything that you want it to be when you don't even know where to start? That's where this book comes in. In it, you are going to discover how to create a variety of macramé knots, and you are going to learn how to then use these knots and turn them into something even better. There really is no end to the ways you can create these knots and use them to create something even bigger and better – and with this book, you are going to get the skills you need to make them happen. Get ready to dive into a whole new world of crafting, and discover just how you are going to make anything and everything you want with nothing more than just knots. You are going to fall in love with the results, so what are you waiting for? Dive in with the craft, and discover a new kind of hobby you can use in more ways than you can imagine. Let's get started. Learn the knots you need to create a variety of projects Practice the knots until you are able to do them perfectly Mix and match knots to create all kinds of patterns And much, much more! **Download your E book "Macrame For Absolute Beginners: 14 Basic Knots You Will Need For Your Macrame Projects" by scrolling up and clicking "*Buy Now with 1-Click*" button!.**
