chapter quickly“One of the thousand novels everyone must read” Guardian“The first thing to say about Madame Bovary is that it's a terrific story. Other comparably great and famous novels aren't, but it is. Everyone should read it.” Clive James, The Atlantic“She was a bourgeois narcissist in 19th-century France who was destroyed by her daydreams. But the brilliantly observed tragedy of Flaubert's Madame Bovary still resonates today.” The Guardian“Poor Emma Bovary. She will never escape the tyranny of her desires, never avoid the anguish into which her romantic conceits deliver her, never claim the oblivion she sought .” New York Times“Emma Bovary, the wife of a kindly but dull country doctor, yearns for a life of luxury and romance that she has read about in popular novels. When a landowning libertine takes a fancy to her, she begins an affair which ends when he abandons her on the eve of their elopement. No sooner has she recovered than she takes up with a young lawyer with whom she has weekly trysts in a hotel room.” The Guardian

READ MADAME BOVARY one of the most scandalous novels of all time in a beautifully presented edition specially designed for kindle. This is Flaubert's masterpiece which will stay with you forever..
