Watercolor is a magical and often challenging medium. Once mastered, it will reward you with the pleasure of creating striking works of art of infinite variety. This book is a culmination of many years of teaching. Through it, I set out to clear up widespread misconceptions about painting with watercolors. These common confusions hold watercolor artists back from achieving their full potential. Full of practical advice and techniques, my aim is to simplify watercolor painting to assist you in your personal watercolor adventure. Enjoy the journey!.
