"Recensione ?A thrilling twist on a classic. Readers will be pulled in by both the riveting mystery and Charlotte Holmes, a brilliant heroine with secrets of her own.? (Maureen Johnson, New York Times bestselling author of the Shades of London series)?Cavallaro?s crackling dialogue, well-drawn characters, and complicated relationships make this feel like a seamless and sharp renewal of Doyle?s series. An explosive mystery featuring a dynamic duo.? (Kirkus Reviews **(starred review)**)?Debut author Cavallaro brings Arthur Conan Doyle?s sleuths (or their distant relatives, anyway) into the 21st century, casting Holmes as a brilliant young woman and Watson, who narrates, as her admirer and accomplice...An involving murder mystery, and a promising start to a planned trilogy.? (Publishers Weekly)?Fans of television?s Elementary and Sherlock will avidly devour this book...a joyous excuse to watch one of the literary world?s most beloved pairings come together.? (Booklist) Dalla quarta di copertina The last thing Jamie Watson wants is a rugby scholarship to Sherringford, a Connecticut prep school just an hour away from his estranged father. But that?s not the only complication: Sherringford is also home to Charlotte Holmes, the famous detective?s great-great-great-granddaughter, who has inherited not only Sherlock?s genius but also his volatile temperament.From the moment they meet, there?s a tense energy between them, and they seem more destined to be rivals than anything else. But when a Sherringford student dies under suspicious circumstances, ripped straight from the most terrifying of the Sherlock Holmes stories, Jamie can no longer afford to keep his distance. Jamie and Charlotte are being framed for murder.Equal parts tender, thrilling, and hilarious, *A Study in Charlotte* is the first in a trilogy brimming with wit and edge-of-the-seat suspense. L'autore Brittany Cavallaro is a poet, fiction writer, and old-school Sherlockian. She is the author of the Charlotte Holmes novels as well as the poetry collection *Girl-King* and is the recipient of a National Endowment for the Arts fellowship. She earned her BA in literature from Middlebury College and her MFA in poetry from the University of Wisconsin-Madison. Currently, she?s a PhD candidate in English literature at the University of Wisconsin-Milwaukee. She lives in Michigan with her husband, cat, and collection of deerstalker caps.
