"Reseña del editor Poetics of Social Engagement emphasizes the ways in which innovative American poets have blended art and social awareness, focusing on aesthetic experiments and investigations of ethnic, racial, gender, and class subjectivities. Rather than consider poetry as a thing apart, or as a tool for asserting identity, this volume's poets create sites, forms, and modes for entering the public sphere, contesting injustices, and reimagining the contemporary. Like the earlier anthologies in this series, this volume includes generous selections of poetry as well as illuminating poetics statements and incisive essays. This unique organization makes these books invaluable teaching tools. A companion website will present audio of each poet's work. Poets included: Rosa Alcalá Brian Blanchfield Daniel Borzutzky Carmen Gimenez Smith Cathy Park Hong Christine Hume Bhanu Kapil Mauricio Kilwein Guevara Fred Moten Craig Santos Perez Barbara Jane Reyes Roberto Tejada Edwin Torres Essayists included: John Alba Cutler Chris Nealon Kristin Dykstra Joyelle McSweeney Danielle Pafunda Molly Bendall Eunsong Kim Michael Dowdy Brent Hayes Edwards J. Michael Martinez Martin Joseph Ponce David Colon Urayoan Noel Biografía del autor Award-winning poet, critic, and activist CLAUDIA RANKINE is the author of five collections of poetry, including Citizen: An American Lyric, and she edits the American Poets in the Twenty-First Century series. She is the Frederick Iseman Professor of Poetry at Yale University. MICHAEL DOWDY is the author of Broken Souths: Latina/o Poetic Responses to Neoliberalism and Globalization and Urbilly. He is associate professor of English at the University of South Carolina."

american women poets in the 21st century enhanced edition

May 10th, 2020 - poetry in america is flourishing in this new millennium and asking serious questions of itself is writing marked by gender and if so how what does it mean to be experimental how can lyric forms be authentic this volume builds on the energetic tensions inherent in these questions focusing on t
