No one needs to push Nikki Boyd to excel on the Tennessee Missing Persons Task Force. The case of her own missing sister, still unsolved after ten years, is the driving force in her work. When a Polaroid photo of a missing girl shows up at a crime scene, Nikki quickly recognizes similarities to the past. The closer she gets to the abductor, the more she feels this case has become personal, and she is not the hunter . . . but the hunted. With this explosive first book in The Nikki Boyd Files, award-winning author Lisa Harris takes you on a fast-paced pursuit of justice that will have you holding your breath until the heart-stopping finish. **Lisa Harris is a Christy Award winner and the winner of the Best Inspirational Suspense Novel for 2011 from *Romantic Times*. The author of nearly thirty books, including *Dangerous Passage*, *Fatal Exchange*, and *Hidden Agenda*, Harris and her family have spent twelve years living as missionaries in southern Africa. They currently live in Mozambique.**
