"Über den Autor und weitere Mitwirkende J.B. Wood is president and CEO of the Technology Services Industry Association (TSIA). He is a frequent industry speaker and author of the popular book Complexity Avalanche (2009), and has appeared in Fortune, the New York Times, the Wall Street Journal, and other leading publications. He was formerly the CEO of Prognostics and executive vice president of InsightExpress. Todd Hewlin is managing director of TCG Advisors, a Silicon Valley consulting firm. Previously a partner at McKinsey and a senior executive at Symbol Technologies, he is regularly found in the boardroom of public and private technology leaders advising them on growth strategy and business transformation. His articles have been published in the Harvard Business Review and McKinsey Quarterly. Thomas Lah is executive director of the Technology Services Industry Association (TSIA). Since 1996, he has helped a broad range of companies establish or improve their professional services organizations and is known worldwide for his incisive analysis, strategic thinking, and creative solutions."
