"Recensione ""The Disappearances is a book of wonder and mystery by first time novelist, Emily Bain Murphy. It is well crafted and the plot is memorable and complex. Shakespeare's words help solve the mystery, leaving the reader with a sense of hope as well as awe. This book should appeal to young adults and adults. The eloquent writing style and the well-researched inclusion of historical details make it memorable. Aila and Miles often use one word to summarize an experience, calling it a finishing word. My finishing word after reading The Disappearances is sublime."--**Assembly on Literature for Adolescents of the NCTE, an ALAN pick Nov/Dec 2016** ""Thick with mystery, buried secrets, and magic, nothing is safe in The Disappearances. Be careful, or you might lose yourself in this strange and wondrous world, where stars go missing, reflections don't exist, and the question, how much would you sacrifice for love? is given entirely new meaning. I adored this book!""**Stephanie Garber, author of Caraval**""Thick with mystery, buried secrets, and magic, nothing is safe in The Disappearances. Be careful, or you might lose yourself in this strange and wondrous world, where stars go missing, reflections don't exist, and the question, how much would you sacrifice for love? is given entirely new meaning. I adored this book!""**Stephanie Garber, New York Times bestselling author of CARAVAL** ?The Disappearances is purely poetic?a beautifully woven story with enough heart to take on its own life.??**Lindsay Cummings, New York Times bestselling author of THE MURDER COMPLEX** ""The Disappearances is a dazzling debut, as glimmering as the Variants themselves, with a haunting mystery, wondrous world building, and a finely wrought family at its heart. I adored it."" ?**Jessica Spotswood, author of The Cahill Witch Chronicles** ? "" Sumptuous worldbuilding, richly developed characters, and a swoon-worthy romance elevate this delightful, fantasy-tinged mystery." ?**PW, starred review**

Sterling is also the city her mother ... 25 settembre 2017 - Pubblicato su Amazon.comAcquisto verificato When Aila's mother Juliet dies and her father is drafted for the war, she and her brother Miles pack up and move to the city of Sterling to stay with her mother's best friend. Sterling is also the city her mother grew up in, and it's full of mysteries.Not long after arriving, Aila and Miles find out that in the city of Sterling something new disappears every 7 years. Things like reflections, scent, and the stars are gone, and there are rumors that Aila's mother was the catalyst for the disappearances starting. Aila is determined to take her mother's notes and solve the mystery of Sterling and its disappearances once and for all.The Disappearances was told in alternating POVs, between Aila and an ominous third party who is up to no good, however we don't know who they are yet. Overall, I enjoyed the story and thought it was very unique! I've never read anything quite like this book, and Shakespeare was incorporated in the book pretty heavily, which I loved.The one small qualm I had was around the pacing - I did feel like there were some parts in the middle that started to drag, and I felt like the relationship that occurred between Aila and a boy named Will could have been developed a little better. I felt more like I was being told that they liked each other rather than shown until the very end of the book. I absolutely loved the last third of the book. Everything fell together, and a lot of things were revealed and the pace picked up a lot. I was really curious about how the book would end, and I enjoyed the ending a lot.The Disappearances was set in the 1940s, and I think the author did a great job of capturing the atmosphere and ambiance, and the writing was spot on. Overall, this was an impressive debut novel from Ms. Murphy, and I'm excited to see what she writes in the future! Thank you to Netgalley, the publisher, and Emily Bain Murphy for an advanced copy of the book. It was my pleasure to provide an honest review. Leggi di più 3 persone l'hanno trovato utileTraduci recensione in Italiano Ivan Friant4,0 su 5 stelle This book was really good! The only thing stopping me from giving 5 ... 16 gennaio 2018 - Pubblicato su Amazon.comAcquisto verificato This book was really good! The only thing stopping me from giving 5 stars was that the beginning was a little slow. It did take me several chapters to get into the story, but once I did, I loved it! Sterling, CT sounds like such a cool, little New England town! Aila and Miles are a bit moody, but they did just lose their mother so it wasn't too bad. And once the story became clearer, little elements started to fascinate me. If you're an overly practical person, you might want to turn your practical thinking gears off, because not everything is going to make tons of sense. Shakespeare plays a huge role, so there's also a lot of suspension of disbelief. The role of literature in this story is awesome! When you find out more about the curse and what caused it, you'll delve into a mystery you didn't even know existed! Add in a little teenage drama and angst, and you get The Disappearances. It was also nice to see that little Southern towns aren't the only ones getting picked on for 'close-mindedness?', apparently Yankees suffer from it as well. Sorry, that's my Southerner coming out! ? Leggi di più Una persona l'ha trovato utileTraduci recensione in Italiano by-stuart5,0 su 5 stelle Great Story 26 ottobre 2017 - Pubblicato su Amazon.comAcquisto verificato If you have ever spent any time in a small town you will know this book nailed it. Though the conflicts in this story are quite different than in a real small town there is still the dynamic of current and generationally old relationships and conflicts that continue on into the future. The author does a wonderful job of weaving Shakespeare into the story (And I'm not a big Shakespeare fan.) Finally, I think the theme of disappearances gives a vibrancy to the story because often in life we are faced with disappearances from being too large to fit into our favorite reading nook to being unable to read the simplest of things without our glasses. Loved it. Read it in three sittings. Leggi di più 2 persone l'hanno trovato utileTraduci recensione in Italiano Evan Johnson5,0 su 5 stelle This book was so good! I couldn't put it down 9 luglio 2017 - Pubblicato su Amazon.comAcquisto verificato This book was so good! I couldn't put it down! There were some great unexpected twists in there that tied together the story beautifully. Even though this book fell more into the realm of fantasy, the characters were so relateable that it felt like it could have happened. I'm a fan of some YA but often find the genre too sappy or over the top ? this was neither, just a beautifully crafted story that pulled me back to it until the end. I can't wait to see what this author comes up with next! Leggi di più 3 persone l'hanno trovato utileTraduci recensione in Italiano autumn brim5,0 su 5 stelle This book is as beautiful inside as it is outside (because 11 luglio 2017 - Pubblicato su Amazon.comAcquisto verificato This book is as beautiful inside as it is outside (because, seriously, how gorgeous is that cover??). Bain Murphy has the most gorgeous turns of phrases that strike true and never read as 'purple' (or whatever it is that we call overwritten prose these days). I was drawn in by sentences that described the ""steadying"" support of a brick house, the ""bright and jagged"" earrings of a mother, and a dress that sets off the wearer's auburn hair in a ""river of dark copper."" And amid all this beauty was masterful plot and characterization--so, basically, this is an amazing book and you should read it!!
