"Pressestimmen 'My son loves these books. We started reading National Geographic Kids books when he was about six (he's nine now) and I can honestly say that these books have been instrumental in teaching him to read.' - Consumer 'My kids love these books. Super fun and interesting.' - Consumer Über den Autor und weitere Mitwirkende **Judy Fradin** and her husband, Dennis, have written more than 150 books between the two of them. They are renowned for their thoroughly researched work about harrowing times in history. The couple have coauthored Tornado!: The Story Behind These Twisting, Turning, Spinning, and Spiraling Storms and several of National Geographic's Witness to Disaster books, including Earthquakes and Droughts.**Dennis Fradin** and his wife, Judy, have collectively written more than 150 books. This dynamic couple is well known for their carefully researched work recounting harrowing times in history. Their many awards include the School Library Journal Best Book of the Year for 5,000 Miles to Freedom: Ellen and William Craft's Flight from Slavery."
