"Reseña del editor Each new print copy includes Navigate 2 Preferred Access that unlocks the full eBook and Navigate 2 TestPrep. This TestPrep provides over 1,000 practice questions and enough practice clinical simulation test questions to provide over 5 practice tests that cover content throughout the four domains using the NBCOT Domain Specifications chart. Students - Get 3 Day Trial Access to Navigate 2 TestPrep. Preparing for the Occupational Therapy National Board Exam: 45 Days and Counting, Second Edition is a comprehensive overview for occupational therapist students preparing to take the National Board for Certification in Occupational Therapy (NBCOT) OTR exam. It utilizes a well-received health and wellness focus and includes tips and self-assessment forms to develop effective study habits. Unlike other OTR examination review guides, this text chooses to provide a more structured and holistic approach, including a detailed calendar and plan of study for the 45 days leading up to the exam. KEY FEATURES \* Chapter outlines cover subject matter found throughout an OT curriculum, drawn from a lexicon taken from the Occupational Therapy Framework III (AOTA, 2014) \* Each subject address the four domain areas according to the NBCOT OTR examination \* Workbook pages include specific references used in OT curricula to enable exploration of challenging or unfamiliar content \* Self-study activities with answers are provided at the end of each chapter \* Journaling section includes 3-4 questions with a reflective learning approach to help students identify areas of weakness and prioritize studying \* Test taking strategies, exam preparation activities, and real life advice for repeating the exam ABOUT THE EDITORS The editors of this edition have the experience and credentials needed to ensure a structured, organized, and effective approach to review a large amount of material in a reasonable amount of time. Dr. Rosanne DiZazzo-Miller has been assisting students from across the country for many years on preparing for the board exam, while Dr. Fredrick Pociask has expertise in instructional design and delivery. Furthermore, all practice question content was reviewed and edited by our Item Writing Specialist - Dr. Sara Maher - who is a well-known and respected item-writer in health-science education. This ensures that students will be provided with continuous examples of NBCOT (R) style questions. Instructor Resources \* Classroom worksheets and study questions \* Laboratory guides and learning activities \* PowerPoint (R) presentations for each chapter More than a study guide, this book can provide a course-ready capstone in addition to the resources and activities already incorporated into the text. Utilize this comprehensive resource in your program to help students study for the NBCOT OTR exam in preparation for a high pass rate in addition to or in place of current methods. Read about the new NBCOT Practice Analysis with a summary by experts Rosanne DiZazzo-Miller and Fredrick D. Pociask Biografía del autor Assistant Professor, Wayne State University Assistant Professor, Wayne State University Professor and Department Chair, Adventist University".
