Can a gift from the past mend a broken heart? Ian Collins is an old man without his son. Patrick Collins is a young boy without his father. On his Christmas list are only three items. He wants the army to find his father. He wants to leave his grandfather's house. And he wants the dusty wooden soldier in Grandfather's attic - the one he is forbidden to touch. Set at Christmastime in 1943, *The Unfinished Gift* is the engaging story of a family in need of forgiveness. With simple grace, it reminds us of the small things that affect powerful change in our hearts: a young boy's prayers, a shoe box of love letters, and even a half-carved soldier, long forgotten. This nostalgic story of reconciliation will touch your heart..
