Ditch the drill and fling those flash cards in the recycle bin... now there's a better way to learn math!When you play the fun dice and card games in this book, you'll get better at math without even realizing it. **The more you play, the more you learn...**and you'll love every minute!In this completely revised and updated third edition of Miss Brain's Cool Math Games for kids in grades 1-3, you'll have a whopping 39 addictively fun math games to help your child improve skills and fall in love with math. **THREE WAYS TO PLAY:** Choose a math skill that might need a little practice, and play one of the games in that chapterStart at the beginning and play all the games in the book in order so you don't miss anyRandomly pick a game that looks fun, and play it. Repeat!A great math game helps get rid of math anxiety, ends family math fights, gives kids tons of practice, and helps kids really truly LOVE math. Miss Brain's Cool Math Games currently comes in two levels. In this first level for grades 1-3, you'll find: number sense games (including place value)addition games subtraction gamescounting money gamesmultiplication and division gamesThe games in this book can be played by children at mixed levels--or parents can play with their kids--without any one player having an unfair advantage. Ideal for 2-4 players. .
