This is a step by step tutorial and is suitable for intermediate students. It includes many informative screen captures that speed up the learning process. This is part of a series of over 500 tutorials that I have written for Paint Shop Pro. Each of my Paint Shop Pro tutorials is step by step and packed with helpful screen captures - so you can follow my instructions every step of the way without ever getting lost. To work along you are welcome to download the start images I am working with below. Highlight the link below, Right Click then click 'Open

Link'. <https://www.dropbox.com/s/melf1lhjs7109hu/Edge%20Mask%20Frames%20-%20Apply%20PSP.zip?dl=0> I have designed these tutorials so you can begin to use the tools in Paint Shop Pro to immediately get brilliant results - and they can be read on your Kindle, iPad, PC, Mac, Smart Phone and Tablet. Many of my students have emailed me over the years to say my Paint Shop Pro tutorials are the best they have read and the easiest to follow; in fact, several Universities currently utilise my Paint Shop Pro tutorials teaching their students on campus. Normally I sell my 503 Paint Shop Pro tutorials as a bundle, however, I have made these tutorials available for those of you who maybe just want to use a specific technique and who don't wish to purchase my full collection. <http://www.paintshopprotutorials.co.uk/Have fun!??Wendi E M Scarth.?.>
