Aber schnell stellt Timo fest, dass sich merkwürdige Dinge im Haus abspielen: Der Junge, mit dem er sich das Zimmer teilt, gilt als Wachkomapatient und hoffnungsloser Fall, doch nachts läuft er herum, spricht - und droht Timo damit, ihn zu töten, falls er anderen davon erzählt. Eine Sorge, die unbegründet ist, denn Timos Sprachzentrum ist schwer beeinträchtigt, seine Feinmotorik erlaubt ihm noch nicht niederzuschreiben, was er erlebt. Und allmählich entdeckt er an sich selbst Fähigkeiten, die neu sind. Er kann Dinge, die er nicht können dürfte. Weiß von Sachen, die er nicht wissen sollte ... Alle Produktbeschreibungen".
