"My name is Chloe Saunders. I'm 15, and I would love to be normal. But normal is one thing I'm not. For one thing, I'm having these feelings for a certain anti-social werewolf and his sweet-tempered brother - who just happens to be a sorcerer - but, between you and me, I'm leaning toward the werewolf. "Not normal. My friends and I are also on the run from an evil corporation that wants to get rid of us - permanently. Definitely not normal. "And finally, I'm a genetically altered necro-mancer who can raise the dead, rotting corpses and all, without even trying. As far away from normal as it gets."
Also included is a sneak listen to the first chapter of the Darkness Rising series. Enjoy!.
