"L'autore New York Times bestselling co-authors **Amie Kaufman** and **Jay Kristoff** met thanks to international taxation law, and soon struck up a writing partnership based on a shared love of blowing things up and breaking hearts. Their first collaboration resulted in the international bestseller *Illuminae*. Separately, Amie is also the co-author of the bestselling *Starbound* trilogy, while Jay is the author of the award-winning *Lotus War* trilogy and the *Nevernight Chronicle*. They live with their respective spouses in Melbourne, Australia, and are fuelled almost exclusively by caffeine and readers' tears.
