Are you tired of dating men who string you along, disappear or won't commit? Is He the One? explains why women often fall for the wrong guys and how to quickly recognize who they are. Dating today is anything but easy, especially as a single woman over 40. Wouldn't it be great if you could tell within three dates if a man was going to waste your time or had potential as a romantic partner? Well, now you can! Author and Dating Coach Ronnie Ann Ryan radically simplifies understanding what men do and say. In this book, you'll discover: Why you can't think like a woman to understand men Why a man seems interested by texting and flirting, but really isn't What to make of a charming man How to spot a narcissist Why the right man is never a project How to handle the casual guy And why finding love is completely possible When you are finished reading Is He the One? you'll feel more confident about your choice of men and empowered to find the right man for you..
