The Adobe Photoshop CC 2019 Up To Speed guide helps you to get up and running quickly with Adobe's powerful photo editing and management system. This handy step-by-step guide is written from scratch, starting with basic Photoshop topics and moving on to more advanced features of the program, designed to help you to become more productive more quickly. Though comprehensive, the information in this book is presented in a clear, concise manner with screenshots providing helpful visual guidance all along the way. In no time at all you'll be navigating Photoshop's interface, importing, rating, and filtering your photos, managing your photo library, making exposure and color adjustments, fixing common image problems, printing your photos, creating photo books and presenting your images on social media and the Web. Some of the topics include: Learning the Interface About Images in Photoshop Using Photoshop Panels Changing Screen Modes Creating a New Image Saving Your Work Setting the Foreground and Background Color Using the Color Picker & Color Panel Using the Swatches Panel Coloring with the Brush Tool Coloring with the Paint Bucket Tool Using the Eyedropper Tool Working with Gradients Using the History Panel Using the History Brush Tool Using the Magic Eraser Tool Using the Background Eraser Tool Using the Pencil Tool Using the Clone Stamp & Pattern Stamp Tool Using the Dodge and Burn Tools Using the Sponge Tool Using the Healing
